

WATER RESOURCES COMMISSION

APPLICATION FOR WATER DRILLING LICENCE

Please read the following prior to completing the application form.

Pursuant to the Water Resources Commission Act, No. 522, and the Water Drilling Licence and Groundwater Development Regulations (2006) LI 1827, no person shall drill and develop a water well without a Drilling Licence obtainable from the Water Resources Commission (WRC).

In order for the WRC to process applications for Water Drilling Licence expediently, it is important that you complete the form as detailed as possible and include all the relevant documents. Applications will not be processed unless all the required information is included.

1. Applications shall include:

(a) Business Particulars including:

- i. Certificate of Incorporation
- ii. Certificate to Commence Business
- iii. Objects of the Company
- iv. List of Directors
- v. Certificate of Change of Name (where applicable)
- vi. Name of company's representatives
- vii. A brief, if the company is currently under litigation for reasons pertaining to environmental pollution.

(This applies to private businesses only)

(b) Tax Clearance Certificate

(c) VAT Certificate

(d) DVLA documentation proving ownership of Vehicles, Drilling Rigs and Accessories

2. Attachments

Where attached sheets and other technical documents are used in lieu of the space provided, indicate appropriate cross-references. Paragraphs that are not applicable to your application should be marked as "N/A". ***(List of key Personnel and Referees should include CV of such persons).***

3. Administrative, Processing and Licence Fees

The administrative fee covers costs for processing the application. Administrative fees for processing the application shall be paid on submission of the completed application for a Water Drilling Licence. The administrative fee is **GH¢ 1,500.00** and it is non-refundable.

License fees will become payable at the time of issue of the Water Drilling Licence and the Licence will not be issued without payment of Licence Fees.

Cash and certified cheques payable to the Water Resources Commission are accepted.

4. Time required for processing

On the precondition that the application has been completed correctly, the average length of time required to decide on Drilling Licences is two (2) months from date of receipt. *(Delays may occur due to delays in the environmental permitting processes –where applicable-, a usually complicated application, and an application with far-reaching impacts on water resources).*

5. Renewal of Licence

An application for the renewal of the Licence may be made to the WRC not later than thirty (30) days before the expiration of the Licence. Renewal Fee is as stated in the Second Schedule attached.

For any clarification on any provision of the application form, please consult with the WRC Secretariat on the contacts below and applications may be delivered in person or at WRC's address, or at our Basin Offices or mailbox below:
